**e-Assessment Platform
for your School**

Teachers are overworked!

Source: OECD, UNESCO, CooperGibson

12 hours

average working day

avr. **200**

students to take care

Thousands

learning insights to analyse

Are you?

TEACHER

Too much data
to collect and
analyse

Trying to diagnose
the needs of
dozens of students

Working overnights

Unable
to individualise
learning activities
for all the students

Low motivation
to learn

STUDENT

Has to study
irrelevant learning
content

Peer pressure
to own expensive
devices

Unbalanced sense
of self-worth

NUADU IS THE REMEDY

Automatic marking and instant feedback

- ▶ Save up to 2h per day on marking!

Progress reports and real time analysis

- ▶ Get detailed analysis of your students strengths and weaknesses, automatically!

Personalised assignments based on student's needs

- ▶ Personalise the assignments within a few clicks!

The interface shows a '4. Summary' section with a note: 'Every student has been assigned unique variants of the exercises shown below.' Below are two exercises:

Exercise 1 (5%): Choose all the correct answers. $a^2 + b^2 = c^2$. Answers: 2a, 4, 4a, 2ab, 4b, 4c. Correct answers: 2a, 4, 4a, 2ab, 4b, 4c.

Exercise 2 (5%): The factor crossed the 'V' road within 8 minutes. At what time will it travel 24 km if its speed does not change? Answer in minutes. Sample answer: '100'. Answer: 24 min. Correct answer: 24 min.

Ready-made base of questions and assignments

- ▶ Min. 200 questions per topic for Eng, Math and Sci from Grades 4 – 10, all ready for you!

Comprehensive base of teaching

- ▶ The best resources all curated for you!

Give your comments easily

- ▶ You can now give your feedback while going through the work, saving time!

NUADU can save 7h of a teacher's time per week!

We are in 9 countries, across 3 continents

120+ schools are enjoying us

20 publishers and partners working with us

47 000 students are learning effectively

2600 teachers are smiling again*
